

*500,000 women die a year in pregnancy and childbirth.
99 percent of those deaths are in the developing world.*

Millennium Development Goal #5 Improve Maternal Health

What One Person Can Do

Use the ERD “Gifts for Life” Catalog to buy health care for women as a gift for friends and family.

What One Congregation Can Do

Form a “mother’s union” in your congregation to raise awareness and funds to prevent death in childbirth.

What One Diocese Can Do

Work through campus ministries to support medical students going abroad to volunteer.
